GUIDE IS A MUST-HAVE

Mario Fazekas and his wife Jenny have been visiting African national parks since 1995 with nearly 800 days on self-drive and guided safaris notched up, many of them in the Kgalagadi Transfrontier Park. The resulting electronic guide book, *The Photographer's guide to the Kgalagadi Transfrontier Park*, includes maps, illustrations of waterholes and camps, complete with distances from the road or camp, best time of the day to visit venues and recommended equipment. Your key to better nature and wildlife photography is crammed into just less than 300 pages. Readers of *SANParks Times* will save 20% if they purchase a copy of this e-book before March 31, 2015.

Simply use SANPT in the discount block at checkout and the price will drop to about R240. The original price is \$27,80, equal to about R300. Visit www.kruger-2-kalahari.com/photographers-guide-to-the-kgalagadi.html
